

Ionic Composite Lodge No. 520

F. & A.M.

Worshipful. Brethren. Friends & Family,

I've been asked and have accepted to be the Organist (Lyre) for [Ionic Composite Lodge No. 520 F. & A.M.](#)

My installation will be on **December 18, 2011** at **6:00pm**.

I would love to see you there as I get installed into an office I've not held since the Masonic years of 2003 & 2004 while a member at [North Hollywood Lodge No. 542 F. & A.M.](#) which was my mother lodge.

As some of you know I am a [bassist and composer](#) for most of my adult life. I'll be scoring music for the degrees and special meetings that will take place at Ionic Composite Lodge, similar to what I did while at North Hollywood Lodge as their Organist.

The unique ability to use a computer with my composition software of choice [Reason](#) it not only adds dimension to what is going on, but allows me a wide array of instruments, effects and environmental sounds that a typical musical organ does not provide.

If you are so inclined in attending, please email: ionicomp@sbcglobal.net or you can call the office at 310-657-2628.

I look forward to seeing you there.

Brotherly, Fraternally and with the warmest of thoughts,

Geoffrey Schumann
